

Item 2

Claim 2
3.OA.A.3

SAMPLE	SCORE	RATIONALE
A	1	This student accurately entered the difference between the values.
B	0	Incorrect response. This student likely added to find the total collected by grades 3, 4, and 5 on Tuesday.
C	0	Incorrect response. This student may have added the 3rd and 4th grade values from the table for Monday, decomposing 70 into $50 + 20$.
