

<p>Focus Standards and Claim</p>	<p>Claim 2 6.EE.B.7</p>
<p>Stimulus</p>	<p><b>Stacks of Cups</b></p> <p>Your science classroom uses cups for many experiments. Your teacher ordered lots of cups from a catalog. The catalog is not very good. It has the following picture, but no other useful information.</p>  <p>Your teacher wants you to help her get organized for when the cups arrive next week. Using only the information shown in the picture, she asks you to figure out some other specific measurements.</p>
<p>Item Prompt</p>	<p>How tall, in cm, is the stack of 8 cups?</p> <p><input data-bbox="748 1430 1130 1524" type="text"/> cm</p>

## Sample Responses
