

## Item 1

Claim 2  
3.OA.A.3

SAMPLE	SCORE	RATIONALE
A	0	The student responded that 24 paint brushes are needed. The student likely did not take into account the part of the directions that stated each student would need 2 paint brushes. The student either did not refer back to the directions, or did not understand what the question was asking.
B	1	The response reflects an accurate calculation of the total number of paint brushes needed.
C	0	The student indicated that 12 paint brushes were required. The student may have divided the total number of students by 2.
